## Additional information

The full text of the paper, in MS Word, should be e-mailed to [ArthurJohnsonAward@ISRP.com](mailto:ArthurJohnsonAward@ISRP.com) by June 1, 2018. The format shall be consistent with publications in the *ISRP Journal*. These requirements are available on the [ISRP Americas section website](#) under the Arthur Johnson Award Information.

Research needs in respiratory protection are available in the Arthur Johnson Award Information on the [ISRP Americas section](#) website

For information Denver 2018 conference, visit the website [denver.isrp.com](http://denver.isrp.com)

## Rules of the Competition

- The competition winners shall attend the ISRP Denver 2018 conference and give an oral presentation of the analysis conducted
- All entrants shall agree to have their paper published in the ISRP Journal, subject to peer review and any necessary editorial changes
- The competition is open to all young researchers who are legally residing in North or South America. The paper must be written in English.
- The researcher must be under the age of 35 as of September 15, 2018
- In the event no submission merits the award, no award will be made

## Judging Criteria

- Relevance to improving workplace safety and health
- Innovative approach to data analysis
- Potential for impacting future respiratory protection technology, and feasibility for implementation
