

The European Section of the International Society for Respiratory Protection is proud to announce the

21st INTERNATIONAL CONFERENCE
22 - 26 September 2024
Oxford, United Kingdom
“Respiratory Protection, Use and Users”

The conference venue is in the famous historic University city of Oxford, at Pembroke College, Oxford, UK. The conference is a great opportunity to share the very latest in respiratory protection research, innovations, applications, and many other topics, with the international community. The conference will include presentations, posters, and an exhibition, and will offer many networking opportunities, serving as a platform for you to share your research, ideas, and products with others involved in respiratory protection.

CALL FOR PAPERS AND POSTERS

The technical programme will cover all aspects of respiratory protection including but not limited to:

Users	Use
CBRN / HAZMAT	Respiratory Hazards and Diseases
Healthcare & First Responders	Aerosol, Gas and Vapour Filtration
Domestic Preparedness / Counter Terrorist Applications	Products and Devices
Radiological Protection & Civil Nuclear Industry	Standards, Regulations and Guidance
Physiology & Human Interactions	Selection and Use
Heavy Machinery, Metals, Transportation	Standard Testing and Measurement
Chem/Pharma	Fit Testing
Asbestos, Construction	Protection Factors

Abstract submission has now closed.

REGISTRATION

Member fees are £800 to include all four days of the conference, registration, reception on Sunday, Monday evening event and the Awards dinner on Wednesday. Other fees apply to non-members and day delegates, as found at <https://www.isrp.com/conference-fees-and-benefits>. For this event any employee of a Corporate/Organisational member of ISRP can book at the members' rate and numbers are not limited! The registration link can be found at <https://www.isrp.com/events/next-international-conference> or directly at <https://yve.eventsair.com/21st-isrp-international-conference-oxford/regsit>.
