ABSTRACT

I was in charge of chemical protection at Japan Defense Agency, when the "SARIN ATTACK CASE" occurred at Matsumoto City and extended an investigative cooperation to the police department. And I got involved in the Self-Defense Force's disaster relief operation for the "TOKYO SUBWAY SARIN ATTACK CASE". So, I like to deliver a speech on those world-trembling "SARIN ATTACK CASES" as follows;

 - (1) Clearance of suspicion against the first informant
 - (2) Was sarin really spread out by terrorists ?
 - (3) How did they spread it ?
2. Who on earth spread sarin ?
 - (1) Suspicion against AUM-CULT and its background
 - (2) Identification of the criminals : AUM-CULT
3. Compulsory Investigation into AUM-CULT's facilities at Kamiku-ishiiki Village and relation to the "TOKYO SUBWAY SARIN ATTACK CASE"
 - (1) Why did it happen on March 20th, 1995 ?
 - (2) Self-Defense Force's actions
